## **MOFAT Student Services on the BRT Phase II Corridor**

MOFAT Company Limited is committed to providing safe, reliable and accessible public transportation for students through its dedicated Student Services operating on the Bus Rapid Transit (BRT) Phase II corridor in Dar es Salaam.

The service is designed to ensure students travel safely and comfortably to and from school every day using modern BRT buses operated by professionally trained drivers who uphold the highest standards of safety and customer service. By offering dependable school transportation, MOFAT supports students, parents and educational institutions with a transport solution that is efficient, affordable and convenient.

Safety remains the foundation of MOFAT's operations. The company continuously invests in fleet maintenance, driver training and operational excellence to provide a secure and comfortable commuting experience while maintaining high standards of reliability and punctuality.

Through the Student Service, MOFAT contributes to improved access to education by reducing transportation challenges faced by families and promoting a dependable daily commute for students across the BRT Phase II corridor. The initiative reflects the company's broader commitment to supporting sustainable urban mobility and delivering inclusive public transport services that serve the needs of the community.

As the operator of the Dar es Salaam BRT Phase II system, MOFAT continues to invest in innovation, service quality and customer satisfaction to deliver world-class public transportation that connects communities and supports Tanzania's social and economic development.
